Coming Together in a Crisis

Join us for this year's VIRTUAL Annual Conference. All sessions will be pre-recorded and accessible 24/7 for 30 days beginning November 10, 2020. Multiple registration opportunities are available including an All-inclusive Agency rate!!! All of all your employees can participate for one low fee. Virtual Exhibit hall will allow you to view products and services and arrange a chat for additional information. Attend sessions and "visit" with Exhibitors and be eligible for the grand prize cash award.

Keynote Speaker: Dennis McIntee *Leading Through Change*

With any change there is uncertainty and we have certainly had our share this year. With change it is imperative to continually modulate your thinking to deal with that uncertainty. Discover The Creative Focuser to help you think outside the box; Learn three mindsets needed to navigate through transition and change; Master the Learning Matrix to make your future bigger than your past; Implement The Excuse Buster Formula that eliminates procrastination.
